PASTORAL CARE

Pastoral Care is changing the format of identifying prayer requests. There will be 3 groups:

Group 1 is for "Shut-ins". "Shut ins" are present and former parishioners who are in home care settings or unable to leave their residence. These do not expect to return to independent living but appreciate being remembered in prayer. We expect few changes from one week to another.

Group 2 is for "Those who are sick". "Those who are sick" are parishioners who experience medical emergencies or health events that change daily life. Examples of this may be body injuries, upcoming surgery or unexpected diagnosis. This, we expect, would be an active listing. As the "event" is overcome, healed parishioners would self identify and graduate to Group 3.

Group 3 is for "Thanksgiving".

Thank you for the support of the criteria of each group. We appreciate your help.

You can further assist us by:

- Telling us when you will be in hospital and would appreciate a visitor.
- Telling us when you're home and getting better.
- Telling us when you would like prayer and we'll respond to the best of our ability.

Father Volodymyr is available to celebrate the Sacrament of Healing on request.

This includes confession, reception of the Holy Eucharist and anointing with holy oil. A reminder that due to privacy laws a priest requires the individual or family member to make the request for a hospital visit. To honor the privacy of our parishioners we ask the same before requesting an addition to any list. Help us to help you.
